### HONGKONG VOLUNTEERS.

#### GENTLEMEN willing to take an active

part in the formation of the proposed  
VOLUNTEER FORCE are invited to put  
themselves in communication with the Recruiting  
Committee appointed by His Excellency the  
Governor at the Public Meeting at the City  
Hall on the 19th December last.

The Members of the Committee are:—  
J. J. FRANCIS, Esq., Q.C., Chairman.  
The Hon. J. H. STEWART LOCKHART,  
Lieut. Colonel J. JERRARD,  
Captain McCALLUM, H.K.V.,  
J. ARMSTRONG, Esq.

who will be found at their Offices daily from 2  
to 4 P.M., prepared to give all needed explana-  
tions and to enrol Members.

The Committee will sit regularly on TUES-  
DAY and FRIDAY at the Chambers of Mr.  
FRANCIS, Q.C., Bank Buildings, from 4 to 5  
P.M.

The Force will be on the same footing as are  
Volunteers in England, that is to say: They  
are liable in case of war to be called up for  
active service and will then be under military  
command and subject to military law, receiving  
the same pay as regularly enlisted soldiers,  
and being entitled to pensions for wounds, &c.

They will not be required to serve out of  
the Colony and will be free to leave at any  
time on 14 days notice; will only be under  
military command when voluntarily exercising  
or on duty together with the regular troops;  
will be subject to such regulations as to drill,  
discipline, and efficiency as His Excellency the  
Governor may appoint, and will be annually  
inspected by a regularly deputed Military Officer.

The Government will defray all expenses of  
the Corps other than the cost of uniforms of  
Commissioned Officers.

It is desired to establish one Battery of  
Artillery and one Machine Gun Company, all the  
Members to be trained also in the use of the  
Rifle or Carbine. Pony draft for both Field  
and Machine Guns will be provided to and from  
place of exercise or parade.

It is suggested that friends and acquaintances  
should combine to form a gun detachment of 12  
men, or a half company (or Section of Field  
Artillery) of 24 men, or even a complete Com-  
pany or Battery.

The Officers of the Battery when complete  
will consist of one Captain and three Lieutenants,  
and those of each company of one Captain and  
two Lieutenants. Such Officers to be elected  
by the own men, the Lieutenants to be elected  
by the companies or sections, the Captain by the  
company or battery. Such election to be subject  
to the approval of His Excellency the  
Governor.

The uniform of the Field Battery will remain  
as at present, that of the machine gun com-  
panies will be a matter for future consideration,  
a working dress only being provided for the  
ensuing drill season.

One month in the year (the month of March  
being at present proposed) will be set apart for  
the annual training when drills will take place  
twice a day. Volunteers will also be expected  
to attend at least one parade monthly during the  
rest of the year. The minimum number of  
volunteers and other requirements to enable a  
battery to be deemed efficient will be here-  
after fixed by the Governor in Council on the  
recommendation of the Major-General.

Gentlemen are reminded that the proposal for  
obtaining a vote of the Legislative Council for  
funds to establish and maintain the Corps is  
conditional on the enrolment of not less than  
120 Volunteers by the 31st of January instant,  
and the Committee hope, for the credit of the  
Colony, that this number will be largely  
exceeded.

JNO. J. FRANCIS,  
J. H. STEWART LOCKHART,  
J. JERRARD,  
J. McCALLUM,  
J. ARMSTRONG.

#### FLUID EXTRACT OF MALT.

THE use of that extremely valuable Food and Remedy EXTRACT OF MALT has been retarded by its usually viscid condition; to obviate this objection we have had prepared a FLUID EXTRACT OF MALT as easily poured out of the bottle and measured into doses as any other Fluid.

It contains as much of the DIASTASE as any viscid EXTRACT OF MALT and is therefore fully as active in tissue forming and digestive power.

Two tablespoonfuls of our FLUID EXTRACT OF MALT contain more nutritive and digestive value than a pint of the strongest Ale or Stout. In 18 bottles 75 cents. Per dozen \$8.00. Hongkong, 12th January, 1893.

## The Hongkong Telegraph.

HONGKONG, SATURDAY, JANUARY 28, 1893.

### TELEGRAMS.

#### THE MOROCCO TROUBLE.

LONDON, January 28th. It is officially announced that the Sultan of Morocco pays an indemnity of five thousand dollars on account of the murder of the British subject at Tangier.

#### THE EGYPTIAN CRISIS.

Lord Cromer has informed the Khedive that Great Britain expects to be consulted on all matters of importance, especially the appointment of Ministers, and that England is unable to sanction the appointment of Hassan Fakhri Pasha as Premier. It is believed that neither France nor Russia is supporting the Khedive in the course he has adopted. The British Foreign Office regards the situation in Egypt as serious, and the Earl of Rosebery has summoned a special Cabinet Council to consider the present position.

#### THE MOROCCO TROUBLE.

January 28th. Great Britain regards a money indemnity as inadequate and demands some further reparation.

#### THE EGYPTIAN CRISIS.

The Egyptian crisis has terminated, the Khedive having expressed regrets to Lord Cromer and his readiness to appoint Rias Pasha as Premier; to this Lord Cromer has assented. M. Develle, the Foreign Minister, replying to a question in the Chamber of Deputies, said that Great Britain had apparently exercised some pressure on Egypt and that he had instructed the French Ambassador in London to address the Earl of Rosebery with reference to the same. M. Develle further said the Government intended calmly to examine the question, as neither France nor Europe can remain indifferent to any infringement of the rights of the Khedive or of the treaty conditions of Egypt.

#### January 30th.

The French Ambassador in London presented a note to Lord Rosebery in the sense of M. Develle's statement to the Chamber of Deputies, and afterwards it was announced in Paris that the explanations exchanged have resulted in France accepting the nomination of Rias Pasha, as Egyptian Premier, as a compromise.

#### January 27th.

Rias Pasha's Cabinet is working cordially with the European officials. The native press continues its attacks on the British policy and demands Lord Cromer's recall. The Marquis of Dufferin has notified to the French Government that the increase of the garrison in Egypt signified no change of policy or any modification of assurances previously given with regard to the military occupation of Egypt. M. Waddington, French Minister to London, had been instructed to ask Lord Rosebery the reasons for the increase.

ST. PETER'S SHAMEN'S CHURCH.—The Mission steam-launch *Day Spring* will call alongside vessels holding out pennant C, between 9 and 10.30 a.m. on Sunday, to convey men ashore to the 11 o'clock service, returning about 1.30 p.m.

MESSRS. BUTTERFIELD & SWIRE are stated to have ordered a new steamer of 5,600 tons carrying capacity for the Java-Hongkong sugar trade, in which will be made several improvements found advisable from the experiences of the *Hupin* and *Shantung*.

The new design of one-cent stamp for the Straits is very neat and pretty. The old two and eight cent stamps, surcharged "one cent," are not yet all worked off. By the way, what has Hongkong no one-cent stamp? Is postage for newspapers from here to Singapore a heavier business than the other way?

EMPLOYER.—You say that your habits are all correct. Applicant—Yes, sir. Employer (after a moment's pause)—Do you drink? Applicant (hesitant)—Thanks, don't mind if I do.

THE entertainer of kings, princes, dukes, lords, marshals, and brokers will be on show to-night at the City Hall, and the whole colony will roll up to see and hear and enjoy his fun; though when all Hongkong and his wife are there, it will be but a small crowd compared with what Mr. Frear is used to having.

A SMOKELESS fuel is made from coke breeze. It burns with a brilliant flame, is smokeless, and gives intense heat. Private trials in a locomotive and a passenger train given satisfactory results. It is made in the form of irregular blocks, suitable for railway or ocean transport. The utilization of a hitherto waste product promises to become a thriving industry.

CAPTAIN SAMUEL ARSTON is progressing very slowly towards recovery of his wounded head and limbs, and has not yet been allowed to leave the Government Hospital.

MANAGER (in office of *Swift*).—Some of our free readers' complaints that the paper has been rather dull of late. Editor.—Dear Sir, I must double the size of the market reports!

LONDON fog in Hongkong is not the commonest of our many miseries, but this morning the whole colony was covered with a thick, yellowish-brown pall of sulphurous smoke, kindly contributed by the *Dimitry Donskoy* as a token of esteem—(see the joke)—on leaving for the sunny south. The Russians are fine fellows, but their coal is beastly.

Mr. George Ramsey, who for the past two years has been chief officer of the Australian liner *Trajan*, has taken over command of that vessel. Capt. W. N. Allison, who has come ashore on sick leave, the *Trajan* sailed for Port Darwin and Australian ports this afternoon. Nothing seems to have arisen out of her neglect of quarantine regulations.

RECRUITS for the Hongkong Volunteer force are coming in daily, though the full number required has not yet been made up. By Tuesday next 120 must answer the roll-call, or else the 200 will be saved the proposed heavy expenditure, and possibly threatened with a heavy military expedition which will have to be resisted tooth and nail.

He—I can see your ankle in the picture. She—So can I, but I don't think it quite proper of you to mention it. You ought to reflect a little more before you speak.

He—That's logical. They say the ankle of coincidence is equal to the angle of reflection—or something like that.

We hear that Captain A. E. Hodgins, who commanded the Douglas Co's steamer *Thales* on the occasion of the rescue of the *Baharra* survivors from the *Pescadore* in October last, has been presented by the local agent of the P. & O. Company, on behalf of the Directors, with a handsome gold watch and chain in recognition of his services on that memorable occasion.

Thus the *Japan Advertiser*—The Naval Court Martial in Tokyo, of which Mr. Oriwa Saitama is President, having finished its investigation of the circumstances attending the *Ryusei* *Chikuma* collision, it is reported that the *Yomi Shimbun*, to avoid the question whether the case comes under Naval disciplinary regulations, or is only a matter for administrative punishment.

A CALCUTTA correspondent writes (4th inst).—The Stanley Awards are here now, doing immense business, but playing devilish. The London *Express* Company is also here, and is remarkably good, playing the *Devil* very well. "Kleptomaniacs" and "Phobias" are really first-class combination leaves shortly for Australia, calling briefly, I believe, at Singapore and Hongkong. Willard arrives next week and has engaged the Corinthian Theatre.

On the 17th inst. in H.B.M. Consular Court at Kobe a tradesman named Richardson was sent to goal for obtaining goods and money to the total value of \$800 by means of four documents, one of which was a receipt for three cheques on the Hongkong and Shanghai Bank, where he had \$50,000 deposited, several Japanese shopkeepers having accepted his assurance that all four documents were valid cheques for \$5 each.

LAST night the members of the Staff and Departmental Secretaries gave a thorough and hearty and enjoyable evening to some of their comrades who are shortly leaving for home, and a cordial welcome to the new chums. Mr. J. G. Newbury, gentleman sergeant-major, presided, in the most masterly manner. Mr. Dawson, Q.M.S., attended to the catering, with really admirable results. Songs, speeches, and toasts followed in rapid succession, the singing of Mr. Abrahams and Mr. Harrison being particularly well received, and this exceedingly pleasant meeting broke up at a reasonable hour, after giving the Queen a treat in orthodox fashion.

CONSIDERABLE astonishment has been expressed of the *Observer*, recently been sent to the Roman Catholic circles in London, owing to the sudden and totally unexpected accession of Dr. William Sullivan, of the Seminary, Manly, Smith, who is described as having been one of the most eloquent and popular preachers belonging to the Roman Catholic body in England, and who has been attracted to the Anglican body by the fact that he was a member of the Anglican body of fashionable churches in the City of London, and that Dr. Sullivan has been to his friends, by printed letter, that he has lost his faith in the Old Testament in consequence of the destructive effects of modern criticism, and has therefore forsaken orthodox Christianity. It has since transpired that shortly after his accession Dr. Sullivan married a wealthy lady of Kensington.

"Granny's" pet prey, the one who believes that visiting anonymous threatening letters have been written at last in by the police for being abroad without a moustache, or something of that sort. "Granny" speaks feelingly about "the police neglecting their duty for years and allowing the colony to be overrun with many dangerous criminals," meaning probably those infesting the halls of wisdom
